W

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joel Carter on 12/21/04.

The application has been amended as follows:

In claim 19, line 8, the number "24" has been deleted.

In claim 19, last line, after "the first leg", --the latch device, when inserted into the slot, being pivotally engagable with respect to the side walls of the slot—has been inserted.

## **Reasons for Allowance**

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach nor fairly suggest a coupling assembly coupling a first part to a second part, comprising an elongated slot formed in the first part, the slot having first and second spaced apart substantially parallel longer side walls joined together at opposite ends thereof by a pair of shorter end walls; and latch device

Application/Control Number: 10/662,866

Art Unit: 3676

comprising a pair of spaced-apart fingers projecting from an outer portion of the second part and a tab projecting from an outer portion of the second pad, the tab being positioned between the fingers, the tab having a base, a first leg and a second leg, the base projecting from the second part in a direction generally parallel to the fingers, the first leg extending away from the plane from a first end joined to the base to a second end joined to the second leg, the second leg extending towards the plane and away from the first leg, the latch device, when inserted into the slot, being pivotally engagable with respect to the side walls of the slot, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Williams whose telephone number is (703) 305-3438. The examiner can normally be reached on Monday through Friday.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
